

Area	CUBE	WIDE	CUSTOM
Dimensions (external)	2.5m x 2.5m x 2.25m	5.0m x 2.5m x 2.25m	Dependent on installation
Dimensions (internal)	2.4m x 2.4m x 2.2m	4.9m x 2.4m x 2.2m	Dependent on installation
Mass without cases	£185kg	Circa 665Kg	Dependent on installation
Mass with cases	£365kg	Circa 825Kg	Dependent on installation
Approx. user group size	1-5	1-14	1-14+
PC Spec	HP Z4 G4 90 750W WIN 10 PRO 64 WKST PLUS Intel Zeon W-2133 3.6GHz 4-Core 64GB (4X16GB) DDR4 2933 ECC 512GB M.2 PCIeG3x4 NVMe SSD 1TB Integral M.2 NVMe PCIe SSD	HP Z4 G4 90 750W WIN 10 PRO 64 WKST PLUS Intel Zeon W-2133 3.6GHz 4-Core 64GB (4X16GB) DDR4 2933 ECC 512GB M.2 PCIeG3x4 NVMe SSD 1TB Integral M.2 NVMe PCIe SSD	HP Z4 G4 90 750W WIN 10 PRO 64 WKST PLUS Intel Zeon W-2133 3.6GHz 4-Core 64GB (4X16GB) DDR4 2933 ECC 512GB M.2 PCIeG3x4 NVMe SSD 1TB Integral M.2 NVMe PCIe SSD
Touch screen spec	24" 10-point Capacitive Touchscreen	36" 10-point Capacitive Touchscreen	Dependent on installation
Projector spec (wall)	4K UHD Laser High Brightness UST Pro Grade Projection	4K UHD Laser High Brightness UST Pro Grade Projection	4K UHD Laser High Brightness UST Pro Grade Projection
Projector spec (roof)	HD Laser High Brightness UST Pro Grade Projection	HD Laser High Brightness UST Pro Grade Projection	HD Laser High Brightness UST Pro Grade Projection
Wrap / screen spec	High-grade block out fabric with tensioned layer to maximise high resolution dye sublimation printing for eye popping graphics and artwork	High-grade block out fabric with tensioned layer to maximise high resolution dye sublimation printing for eye popping graphics and artwork	Dependent on installation
Flight cases spec	Ruggedised professional grade transportation cases, suitable for domestic and international travel	Ruggedised professional grade transportation cases, suitable for domestic and international travel	Dependent on installation
No. of projectors	4	6	Dependent on installation
Gaming interface	Wireless Gamepad Controller	Wireless Gamepad Controller	Dependent on installation
FULmax OS	Y	Y	Y
FULmax app's	Y	Y	Y
Installation time	3-4 Hours	4-5 Hours	Dependent on installation
Decommissioning time	1 Hour	1.5 Hours	Dependent on installation
Lead time	2-4 Weeks	2-4 Weeks	Dependent on installation
Power requirements	2000W	2500W	Dependent on installation
Lighting requirements	None – Works in all rooms without modifications required	None – Works in all rooms without modifications required	Dependent on installation
Cooling requirements	None – Works in all rooms without modifications required	None – Works in all rooms without modifications required	Dependent on installation
Internet requirements	Wired Ethernet preferred, but PC has built in Wi-Fi	Wired Ethernet preferred, but PC has built in Wi-Fi	Dependent on installation
